Mr. SPEAKER.—I reserve my ruling and give it in a day or two.

Sri K. H. PATIL.—I have sent a letter.

Mr. SPEAKER. I have just received it. Sri Nanje Gowda has also given a notice I know the Hon. Member wants to move a privilege motion against Sri P. M. Nadgouda.

Sri K. H. PATIL.—That is true. Accepting the challenge of the Chief Minister I was dare enough to give an application giving particulars of the corrupt practice done by Sri P. M. Nadgouda. The Chief Minister assured us and challenged us by saying “if you have any guts, give it in writing.” I have given in writing. He has not enquired into it. If he has enquired into it and found that the allegations are wrong, let him furnish it here. I am prepared for the consequences. If he feels that the allegations are correct, let him have the moral courage and dismiss him from the Ministry.

Mr. SPEAKER.—If any point which is not on the agenda has to be raised, prior permission of the Speaker should be taken.

Sri K. H. PATIL.—Immediately after Question Hour, if any member desires to raise a point, he can.

Mr. SPEAKER.—It is not the correct position. Only the matters on the Agenda can be taken up. If any other matter not on the Agenda has to be raised, it can be done with the previous permission of the Speaker. That is the position.

Holding of Congress Exhibitions in Davangere and Tumkur

Sri B. P. GANGADHAR.—Sir, under rule 59 of the Rules of Procedure I have given notice to raise a matter of urgent public importance with respect to the starting of Congress Exhibition at Davangere and Tumkur Town a few days ago wherein various departments of the State Government are taking part by entering into agreement with the sponsors of the exhibition for taking stalls. I have given an explanatory note also stating that there is absolutely no necessity for the State Government for participating in the Congress Exhibition at Davangere and Tumkur as the Davangere Municipality is holding annually an

exhibition and similarly at Siddaganga Kshetra exhibitions are held annually at about the same time. It is held at a distance of only $2\frac{1}{2}$ miles from Tumkur where millions and millions of rural folks visit the exhibition.

I have stated in the notice thus :

" Further the agreement entered into by the several Departments of the Government for taking stalls on lease is very high and exorbitant which drains the State Exchequer to a very large extent. Hence the necessity for discussing this matter."

I have sent this notice on 19th January 1970. This is a very important matter.

Mr. SPEAKER.—There need be no discussion now. I shall give my ruling on that.

Mr. SPEAKER.—I have already stated that I will give my ruling. The hon. Member may pass on the paper and I shall go through it.
